more information

This is a very short newsletter since we need to have reservations for the rally back to the hosts by May 9th.

This means that the next newsletter will have the article about the 25th Anniversary Rally in it. Everyone said they really had a good time. Hope you were able to attend.

Just a note to some of our members. It is very important that you fill out and send in the rally reservation before the deadline. The host use that count to buy food for the rally based upon the numbers that they have.

If you fail to send in a reservation on time (before the deadline) it means that they may not have enough food to serve everyone.

Please be able to enjoy the rally by sending in your reservation when you receive it!
